**ALBURY TO SYDNEY**

**DAY 3: WEDNESDAY 28<sup>TH</sup> OCTOBER B.D.**  
**SYDNEY SIGHTSEEING**

Today we begin the first of our three days touring New South Wales capital city. Sydney is Australia's oldest and largest city set on one of the most beautiful harbours in the world. We enjoy a tour of the breathtaking Sydney Opera House; one of the modern wonders of the world, before continuing on to the Historic Rocks area. The Rocks is nestled beside the great arch of the Sydney Harbour Bridge, which overlooks the famous sails of the Sydney Opera House. This area, previously Sydney's old quarter was restored to its early charm in the late 1970's, and provides a fascinating range of specialty shops, cafes and craft centres. We make our way through the cosmopolitan Kings Cross, an area close to the centre of Sydney that throbs with life day and night. Just 10km east of the city, we visit Bondi Beach one of Australia's most famous beaches. Bondi Beach is about one kilometre long and receives many visitors throughout the year, and is regarded as one of the best beaches in the world. Dinner tonight is buffet style cruising on Sydney Harbour where the beauty of the harbour will dazzle you by night. The harbour is renowned as one of the world's most beautiful harbours and its display of city lights and awe-inspiring ambience will make this a truly memorable experience.

**DAY 4: THURSDAY 29<sup>TH</sup> NOVEMBER B.D.**  
**DARLING HARBOUR- SYDNEY TOWER**

Our day begins in Darling Harbour, a lively and futuristic complex constructed to celebrate Sydney's 200<sup>th</sup> birthday. Free time to explore the shopping Mecca with over 200 specialty shops, waterfront restaurants, Chinese Gardens or perhaps sit and enjoy the festive atmosphere of this beautiful

harbour side setting. We travel over to the famous Sydney Tower, the highest building in the Southern Hemisphere. The tower is designed to withstand earthquakes and wind forces never anticipated in Australia. Express lift to the top of the tower and take in the fabulous views of Sydney. Free time for the remainder of the day can be a great shopping experience. You may like to visit Sydney's Paddy's Markets which is a Sydney shopping institution and a huge "buzz" on market day. The Sydney Harbour Bridge climb is another option for you to consider for the afternoon. (at own expense). For tonight's dinner, we visit Chinatown. Sydney's Chinatown is a colourful mixture of Asian culture, shopping and cuisine. The area's distinctly oriental architecture, street lanterns and archways confirm it as a showpiece for Australian Chinese culture.

**DAY 5: FRIDAY 30<sup>TH</sup> NOVEMBER B.D.  
SYDNEY SIGHTSEEING - MANLY FERRY**

Sightseeing day today as we drive through Sydney to the beachside suburb of Manly. No holiday to Sydney is complete without a visit to the beachside suburb of Manly, which is most notable for its beaches, which are popular tourist destinations. Manly features a long stretch of sand on the ocean side, that runs from Queenscliff Beach to North Steyne Beach and Manly Beach. Norfolk Island pine trees are also symbolic of Manly and are a prominent feature of both the ocean and harbour beaches. The Manly ferry is a "must do" for any visitors to Sydney and we will take the ferry for 30 minute trip across the harbour from Manly to Circular Quay. Free time for the remainder of the day for passengers to do their own exploring. Dinner tonight will be a smorgasbord buffet at the Star City Casino.

**DAY 6: SATURDAY 31<sup>ST</sup> NOVEMBER B.D.  
SYDNEY-BLUE MOUNTAINS -BATHURST-COWRA**

Leaving Sydney this morning we continue into the World Heritage listed Blue Mountains National Park, through Springwood and Wentworth Falls to Katoomba, stopping to take in some of the best scenery in Australia. We will travel the Scenic Railway and Skyway, or just admire the spectacular view across the Jamieson Valley. Continuing over the mountains we see historic Hartley and Lithgow and on to Bathurst located on the Macquarie River. Bathurst is Australia's oldest inland settlement and is a gracious city of wide tree lined streets and fine public buildings - a dignified contrast to its internationally famous image as the home of the motor racing circuit at Mt. Panorama. Experience a drive around the Mt. Panorama car racing circuit, famous for the Bathurst 1000 race. Continuing on we make our way through the highly productive agricultural Central Western NSW, an area studded with little historic villages and thriving towns, to Cowra a large town situated on the Lachlan River. Dinner tonight will be at the motel restaurant.

On the 4th August 1944 at Cowra, over 1,000 Japanese prisoners attempted to escape from a P.O.W. camp. Two hundred and thirty one prisoners and four Australian soldiers were killed. Time to visit the Japanese War Cemetery before continuing on to Young known as 'The Cherry Capital of Australia'. We will visit Poppa's Fudge Factory where there is delicate chocolates and tempting lollies as well as their well known freshly made fudge. All the fudges, jams and chutneys from Poppas Fudge Factory are made in store from fresh produce. Leaving Young we travel through to Cootamundra, birthplace of Sir Donald Bradman, and on to Narrandera for our last overnight stay. Narrandera on the Murrumbidgee

River was one of the first towns to be settled in the Riverina, and is a centre for nearby irrigated agricultural areas. Today the town is classified by the National Trust and features many handsome historic buildings. Dinner tonight will be at the motel restaurant.

**DAY 8: MONDAY 2<sup>ND</sup> NOVEMBER B.  
HOMEWARD BOUND**

Today we travel south along the Newell Highway through the Riverina plains, dotted with famous sheep studs to Jerilderie. This small town services the surrounding merino stud area and is famous for being where Ned Kelly staged an audacious robbery at the bank and Post Office in 1879. We continue on to Echuca, one of Victoria's oldest river towns and formerly Victoria's third largest port in the days of the Paddlesteamers. Located at the junction of the Murray, Campaspe and Goulburn Rivers, Echuca has now capitalised on its riverboat history with an enthralling restoration of the old Port area.
