GARDEN. We will enjoy a delicious breakfast this morning before heading out to explore Singapore on a half day city sights tour. Singapore, officially the Republic of Singapore, is an island country off the southern tip of the Malay Peninsula. Prior to independence in 1965, Singapore was a vibrant trading port. Observe the rich cultural and historical heritage through the sights and sounds of the bustling ethnic enclaves. Along the streets of China Town, Kampong Glam and Little India, religious monuments nestle amidst quaint shop houses. Contrasting with the modern shopping malls, such as the Suntec City, there are serene gardens and sleek skyscrapers. The statue of Singapore's founder, Sir Stamford Raffles proudly stands in front of the Victoria Theatre. Its replica stands at North Boat Quay - colloquially known as Raffles Landing Site, as this is the spot where Raffles is believed to have stepped ashore. Lunch today is at a local restaurant. On the tour we visit the Singapore Botanic Gardens and National Orchid Garden. The Botanic Garden is a 156-year-old tropical garden located at the fringe of the Singapore's main shopping belt. It is one of three gardens, and the only tropical garden, to be honoured as a UNESCO World Heritage Site. The National Orchid Garden is located on the highest hill in the Singapore Botanic Gardens. Providing a place for 60,000 orchid plants - consisting of 1000

species and more than 2,000 hybrids – and is three hectares of carefully landscaped slopes. This afternoon we'll board one of the "bumboats" for a cruise along the Singapore River. These hardy little vessels have been in use from the 1600s in Europe, although the ones in Singapore have adapted design variations from the original European-style lighters. Commonly known as twakows and tongkangs in Singapore, they were once extensively used for transport purposes along the Singapore River. Returning to the hotel later this afternoon, dinner tonight is your own arrangements.

DAY 4: THURSDAY 4TH JULY

BREAKFAST TODAY AT THE ZOO / HIGH TEA / ORCHARD ROAD. Breakfast is at the zoo this morning! Have you ever had breakfast with an orang utan? The Singapore Zoo is the only place in the world where you can have breakfast with not one but an entire family of orang utans! As you indulge in a hearty breakfast spread that includes international and local favourites, the orang utan family will make a spectacular entrance. Taking the 'treeway' from their free-range habitat next door, they'll be ambling in one by one as a trunk drawbridge is lowered to let them through. It's an amazing sight to behold! There is some free time in the middle of the day today and lunch is your own arrangements. This afternoon we visit the Landing Point at the Fullerton Bay Hotel for High Tea. Sit back and enjoy the panoramic sweep of the waterfront whilst afternoon tea is served. If you prefer a cocktail the resident mixologist at the bar will be happy to help. Leaving the Fullerton this afternoon the coach will stop at Orchard Road where we have free time for shopping. Dinner tonight is your own arrangements and there's a great selection of restaurants in Orchard Road. Malls make up most of the main street, but there's plenty of other options hidden amongst the shops, from cheap and cheerful to some of the best fine-dining venues in Singapore. The coach will return you to the hotel this evening.

EAST COAST & CHANGI TOUR

After breakfast at our hotel this morning we will discover the Changi district in the East Region of Singapore. Away from the bustling city, there is the opportunity to pay your respects to those who lived and died during World War 2. At the Changi Museum, take photos in the rustic Changi Village and learn about the cultural heritage of the local Malays at Kampong Glam. We stop at Glam Village – named after the Gelam Tree which grew in abundance in the 1800s. Soak in the rich cultural heritage of the Malays of the area, before proceeding to the Changi Chapel & Museum. Considered the ground zero of Singapore's World War 2 history, the museum honours those who lost their lives during the Japanese occupation of Singapore. Browse the exhibits, which include prisoner belongings and artefacts, and learn about the POWs' fight for freedom. Lunch is at a local restaurant today. Our tour continues passing through laid-back Changi Village, and pockets of remnants of the
